- Donation Application -

Dear Friend,

We thank you for your interest in our organization and appreciate any help you may provide. Although at this time we have not decided what building or buildings will be re-constructed, we are asking for any and all donations possible in order to achieve our goal. Your donation can be in the form of either labor or material. Please complete the application below in its entirety and return to our office. Please note that our Construction Manager may contact you for additional information. Thank you again!

Please mail all applications to:
